## Media Students visit Abu Dhabi Media

The College of Communication and Media organized a scientific visit to Abu Dhabi Media Corporation for its students from both campuses, Abu Dhabi and Al Ain, under the supervision of Dr. Soad Matar.

The students had a tour in the corporate departments such as Abu Dhabi TV, Abu Dhabi Al Emarat, Abu Dhabi Drama and National Geographic Abu Dhabi. They also visited the studios, control rooms, had a look at the latest techniques and the used cameras, in addition to, learning about the working mechanism and how to create the program's plans.

The visit came from the belief of the AAU academics in the importance of integrating the theoretical and practical aspects, and keep students updated with the latest media developments.
