The “Fine Art Exhibition” supports the talented

The College of Mass Communication and Media at Al Ain University of Science and Technology, Al Ain Campus, organized the “Fine Art Exhibition” to show the students’ works of the fine art course.

The drawings were characterized by creative ideas that reflected the beauty of the environment and simple things in black and white colors only.

The details are limited to black and white. The exhibition was opened by Dr. Abdulrahman Theyab, Dean of the College, and attended by, number of academic staff and students from the university.

Dr. Theyab expressed his admiration on the students’ drawings, encouraged them to be more creative and stressed on the keenness of the College of Mass Communication and Media in

particular and the AAU, in general, to support the students' talents and develop their skills continuously.

The exhibition attracted a huge number of visitors, who witnessed the students' drawings and expressed their admiration of the innovative drawings.
