Al Ain University

> Privacy Policy

Privacy Policy

The Al Ain University understands and respects users' privacy and it is committed to protect it. By visiting the AAU Portal and using the online services users agree to the practices stated in this disclaimer and AAU Privacy policy. In order to maintain Al Ain University's website, provide and develop future services, the University may collect and store web usage information. This information will be used to improve the functionality and content on the site.

Please read our Privacy Policy carefully to understand how we collect and use information.

Some non-identifiable information is collected automatically while surfing our website

- The IP address you are using to access the website.
- The type of web browser used as well as the time and date of the visit.
- The pages you viewed anonymously on the website.
- Geographical location

Users' Personal Identifiable information

- Sends personal information such as name, date of birth, email id if required.
- Completes an online registration, suggestions or complaints form.
- Applies for a job through AAU Job Opportunities site.
- Uses online academic services

Information Usage (make an understandable sentence)

- To keep a record of registered users.
- To allow us to customize services based on user's preferences.
- To collect internal statistics that help us serve the users better.
- To contact users in order to provide AAU news or information regarding up-coming

events.

- Users' information is never shared with any third parties unless it is required by law or to protect AAU rights or properties.

Cookies

Cookies are used to customize users visit and enhance the user surfing experience. It is possible to set most web browsers to reject cookies, accept, or delete these files. However, the refusal or removing cookies may obstruct your user experience.

Links to Other Site

The AAU website has links to third party websites and the university has no control over other websites and thus the AAU Privacy Policy does not apply to them. Users are encouraged to read third party privacy policies prior to providing any personal information to third party websites.

For queries about the above Privacy Policy, please **contact us**.
